Matthew,

As the discussions on the legal agreement are still ongoing can you agree an extension of time through to 26 February.

I look forward to hearing from you.

Regards

David

Excellent.

In the drafts of the s106 it appears that the POS contribution had not been included. You would have been aware of this as only 50% provision is being made on site but just in case you client or their lawyer starts asking why the council are seeking more money this will be the reason. Do you have a clear plan that shows the area of POS to be provided that can be included in the agreement?
