Michael,

Southampton service should be 1 per hour on a Sunday (with no mention of a bus as this is due to engineering works). Once that change is made I'm happy for the condition to be discharged.

No need to resend this onto me again.

Stephen

Michael,

I have received the following comments:

I note that all the amendments I requested have been made. The Travel Plans is basically there now, but I have just spotted an issue with Table 3.2 (train times) which is also replicated in the Travel Welcome Pack. I've made some additional comments on the Welcome Pack below and am happy that these can be addressed prior to issue to residents. I ask to have sight of the final draft of the Welcome Pack before it is issued.

Comments on Welcome Travel Pack:

1. There appear to be some errors in the train service information on page 6. For example there are services to Chichester, Portsmouth Harbour, and Southampton on Sundays. The table suggests that there are no direct services to Chichester, when this is in fact the next station. Please review all Mon – Sat and Sun frequencies and level of service. Please also update Table 3.2 in the main Travel Plan document accordingly.
2. Please remove Zip Car from car club section of the Useful Information page (p9) and replace with Co-Wheels and Easy Car details as per the main TP document. Please also refer to www.travelwestsussex.co.uk under Public Transport.
3. Please include a page of information about the £150 travel vouchers, including detailing how residents can claim the vouchers. Please leave a space in the draft for this if details are not yet finalised.
4. Please also include details of the Travel Plan Co-ordinator (role and how to contact etc). Please leave a space in the draft for this if details are not yet finalised.

So in summary, I'm happy to approve the TP subject to a review of the information in Table 3.2. I've made the above comments on the Welcome Pack and would welcome the opportunity to make final comments before it goes to print.
