Dear Sir,
Planning LDC approval reference- BN/32/21/CLP

This is an informative note, to let you know we will be providing a mobile home at the above during September 2021.

In this instance, as the access is tight, we intend to deliver the unit in its component parts and assemble the two main sections on site, then bolt them together to form one unit.

There are Planning rulings to confirm it is acceptable within the definition of a mobile home.

We operate throughout the UK and, over a period of 25 years, have supplied units in more than 70 different Local Authorities without issue.

Further details of our company and product range can be found on our web site: www.norwegianlog.co.uk
Should you require any further information please do not hesitate to contact me.

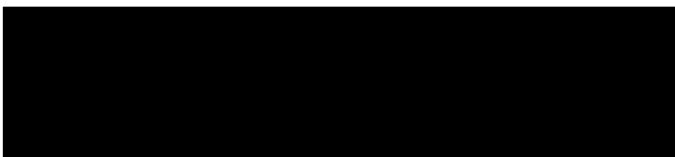

Would you kindly confirm safe receipt.

Thank you

Yours faithfully,

Keith Knight
