Subject: BN/33/15/PD Change of use Land to the rear of Flint Barn, Yapton Road, Barnham

Dear Sir/Madam

We are writing to you to object to the change of use from storage (Class B8) to dwellinghouse (Class C3) for the following reasons :

1. A dwelling house will produce more pressure on the drains and sewers. We are at the end of the run and we have already experienced blockages twice in the short time we have lived at Highfield House.
2. The land in question is prone to flooding.
3. Another dwelling house will cause parking problems as the proposed dwelling house is in a narrow lane.
4. As the Flint Barn is currently for sale we cannot understand the logic of requesting change of use.
5. Additionally we are led to believe that the land in question is agricultural land.
