Dear Sir/ Madam

Re: Extension and alterations to Garage Cottage, Church Lane, Barnham

I have attached our planning application for the proposed extension and alterations to the above property.

The proposals include a two storey extension to the North East corner of the property along with single storey extensions to the side and rear elevations. The purpose of the proposed extensions and alterations is to provide a family home for the family of the applicant, Mrs Hall , (son daughter in law and two children), whilst also providing a small self-contained section for Mrs hall, who currently lives alone in the property . The extensions have been designed with detailing to match the existing house and will be constructed in matching materials.

I have also attached the following:

- Application form
- CIL form
- Drawing 20-04-1.01 – Existing plans and elevations
- Drawing 20-04-2.01 – Proposed Plans and elevations
- Drawing 20-04-2.02 – Site Plan and location plan

Should you require further information please don't hesitate to contact me.

Yours faithfully

Garry Mount
