Dear Nicola,

Thank you for your email. Please find attached a data sheet for the product.

The colour we have chosen in the application is light mist which is a light grey. The James Hardie link https://linkprotect.cudasvc.com/url?a=http%3a%2f%2fdesign.jameshardie.co.uk%2ftouch%23scene%3d138%261498%3d2540&c=E.1.ZtRVSKS81j_M60gpuBj7vhyYW2erRU-h15gY0UkL78CHtarJU2KkO2Yp9E_gVYkKI_MRD60da36tiYAcVt1v8d1E_AwKJCpS6h2fXvRbUkL45YUo4WXbtfvZboUG&typo=1 is a colour visualiser and the link should be set up with the colour specified. I have also attached a photo of the samples so that the colour can be seen in relation to other colours. This sample pack is a loan from a supplier in Chichester so I am unable to remove the sample or send you the entire pack but could arrange for one to be sent directly from the supplier if the details given in this email aren't enough - please let me know.

Many Thanks

Tom Procter
