Good morning Mrs Johnson,

As just discussed, this is the message which I forwarded to Charlotte Burrows. I did talk to her about the project and my reply which I hope is sufficient.

Thank you for assistance on this project.

Regards,

BARNHAM COURT LODGE, GARDEN ROOM EXTENSION

BN/35/14/L

BN/34/14/HH

Good morning Charlotte , (and Mrs D Johnson)

I have attached the amended site plan with the dimensions to the boundaries as required.

Regarding the Lidsey Foul Water Environmental Assessment, I can confirm that the application does not involve any foul water system at all. It is purely a Garden Room extension to a reception area.

METHOD STATEMENT.

I can confirm that the proposed application is purely a Garden Room extension to a reception area. There will be no demolition works or otherwise to the existing historic building elements. Absolutely no historic walling or features will be harmed or interfered with during the works.

Kind regards,

Michael Bish RIBA
