Hi Michael,

Subject: Barnham - additional drainage details

Hi Michael,

Please find enclosed a copy of the additional drainage information for Barnham. I have made this submission under the current DOC application (BN/35/18) and also included the foul sewer detail which has already been agreed for completeness.

Are we now in the position of being able to complete the discharge of the conditions on this site? I am also awaiting your response to my email on the NMA point where I gave examples of this approach in other Councils.

Kind regards,

Laura Humphries
