

3.docx

Please upload the attached revised plan onto Ocella for BN/37/20/DOC and notify the Local Highway Authority (WSCC).

I have attached a copy of the Action Sheet.

Thanks,

Michael

Save the environment - think before you print.

Dear Michael

Thank you for your email.

Please see attached the revised drawing with the pedestrian/cycle link shown.

Please let us know should you require anything further.

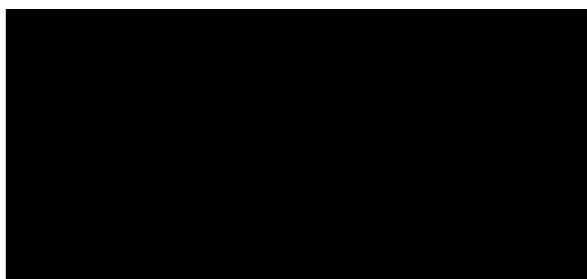

Kind regards

Covid-19 Working Procedures

In line with Government advice, Thrive have been transitioning to working from home for most of the team. We have access to all our systems remotely and we continue to provide our clients with the support they need without interruption. We have a small core team in the office (working in segregated areas), to manage day to day essentials such as IT support, plotting and scanning large format drawings.

We are currently utilising Microsoft Teams, Zoom or Skype for remote video conferencing and meetings.

Our main landline number remains active and is diverted to our remote reception where messages can be taken and passed on. Emails remain the most efficient means of communication or calls directly to mobile numbers.

♻️ Before printing, think about the environment

Dear Zsuzsa,

I have just studied the plan that you have submitted for discharge of condition application BN/37/20/DOC regarding Land to the rear of the Lillies, Yapton Road, Barnham.

Condition 4 imposed on reserved matters approval BN/6/18/RES related to the submission of details for the pedestrian / cycle link between the application site and the adjoining Angels Nursery site.

The drawing (Drawing No. 17748-BARN-5-512 Rev. A - Footpath Link & Typical Footway Construction Detail) that you have submitted with the application only shows a footway (pedestrian) link.

As the condition requires the provision of a pedestrian / cycle link not only a pedestrian link, I am requesting that you submit a revised drawing showing a pedestrian / cycle link of the requisite width and surfacing between the application site and the adjoining Angels Nursery site.

I look forward to receiving the revised drawing showing a pedestrian / cycle link, as a matter of urgency.

Kind regards,

Michael
