Dear Mr Jackson,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: The Lake Lane site area is currently subject to a planning approval for residential development (BN/69/16/PL). The tree protection scheme was approved by the LPA as Condition No. 03 under this planning approval. The proposed scheme includes 5 no. residential dwellings, access road, and car parking areas which is currently being constructed on site. The scheme proposals include the realignment of the existing footpath / cycleway link alongside the proposed access driveway along the southern edge of the site area which links from Lake Lane to the east to Nightingale Lane in the west.

The site area is subject to a Tree Preservation Order (Reference TPO/BN/1/13). The TPO within the site area includes groups of mixed species trees of Alder, Ash, Oak, Lime, and Sycamore. Running along the southern edge of the site area there is a further TPO between the property boundaries of mature Alder trees (Reference TPO/BN/2/18).

The attached tree works application package seeks to update the tree surgery works proposed to the northern and southern site boundary surrounding the mostly easterly dwelling house. The proposed tree surgery works are outlined below.

T08 - Acer pseudoplatanus (Sycamore)
(Subject to Tree Preservation Order No. TPO/BN/1/13 (Group 3) issued by Arun District Council)

T08 is located to the northern site boundary to the eastern end. Ivy, nettle and a self-seeded Elm grow at the base. The tree has 1 no. dominant leader and a mature primary scaffold arising from the base to the southern aspect. There is minor deadwood throughout the tree canopy and the tree is ivy clad to 10.0m height. The tree is largely excurrent in form and in a good condition.

T08 - Tree Surgery Works Tree to be crown reduced overall to the southern canopy aspect by 3.0 metres away from the proposed dwelling house and crown lifted with the removal of the lower southern limb to the base of the tree extending over the site area adjacent to the proposed dwelling house as shown in the attached photographs.

T13a - Mixed-Species Tree Group - Quercus robur (Oak)

T13a is part of a mixed-species tree group of 1 no. Sycamore and 2 no. Oak of similar size and impeded by tree belt (TL 14) to the southern site edge. There is light ivy cover, nettle, and bramble covering the base of all 3 no. trees. Ivy is

growing into the lower tree crown up to 5.0m. There is minor dead wood within the oak tree with growth considered slow. The overall condition is deemed to be fair and the oak trees have some potential of becoming future specimens.

T13a - Tree Surgery Works - Tree to be crown reduced to the northern canopy aspect by 3.0 metres away from the proposed dwelling house and crown lifted to 4.0 metres height to the northern side of the tree canopy adjacent to the proposed dwelling house as shown in the attached photographs.

Location: Land West Of Green Acres Lake Lane Barnham PO22 0AE

Thank you for your recent application which I received on 17th March 2022. It is being validated by Nicola Moore who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Please provide the proposed height and spread measurements, in metres for T08 and T13a, rather than the amount being removed.

For further guidance, please refer to the list of validation requirements for tree applications on our website: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

If providing additional documents or information, please email it directly to us at: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **8th April 2022** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to extend the time scale.

If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this

application.
