Dear Sir/Madam

Erection of 4 No dwellings & associated works. This application is a Departure from the Development Plan.

Land adjacent to Tars Farm House Church Lane Barnham

Thank you for your internet representation made on 28th April 2020 which has been recorded as '**an objection**' with the comments as follows:

Ref BN/39/20/PL

Dear Sirs,

I have lived in Quince Cottage for a number of years now, my late husband and I moved here because of the quietness, character and beauty of Church Lane. I am increasingly concerned about the amount of traffic along this section of the lane and am opposed to any development that would increase this even if it only adds a few car movements a day as I fear this would set a precedent for more infills and possibly even lead to development on the farm itself.

At present I have lovely views across Tars Farm paddock and the fields beyond, this view would be blighted by the addition of the 4 large new build houses.

I also have additional concerns for our biodiversity in the surrounding area, any development no matter how small will erode the habitat that this wildlife thrives on and any increase in population will put additional strain on our already congested drainage system.

In light of the above I would like to voice my objection to the development of 4 houses proposed for the Tars farm paddock.

Sue Jones
