Dear Liz,

We are now postponing this recommendation until our September 2nd Committee (there is no Ctte in August) so you can have the standard consultation time period to consider and respond.

Thanks

Hi Liz,

Did you ever get a consultation from us re application BN/39/20/PL? According to our system it was sent 27/04/20 but on occasions the system does not email them. I am just writing the Committee report up but as the submission includes an ecological appraisal and a Water Vole survey (which records Water Voles along the nearby Barnham Rife), I need your advice re conditions etc. I don't suppose you might be able to provide a response by Monday 6th as Tuesday is my deadline for July Ctte reports.

Kind Regards
