Hi Simon,

I hope you and the family are well.

The updated Highway Note will be submitted tomorrow. I will copy in the Officer at WSCC for efficiency emphasising the deadline.

I am working through the ecology comments now and am hopeful that will also be submitted tomorrow. Similarly, I will copy in the Ecologist on this emphasising the deadline.

Regards

Patrick Barry
Director

Dear Patrick,

My Committee report is required to be completed by end of Tuesday 11th August and whilst it is already 95% written, I need the ecology enhancement plan and the extra information/changes required by Highways (per the attached) to complete it. Can you let me know where you are with these as I really need them this week or it may not be possible to still get this to the September Ctte – and instead we may have to refuse on grounds insufficient information.

Please also note that I am on leave Friday 7 & Monday 10 August.

Please advise of the position asap.

Kind Regards.
