Simon

I will get all of the Location Plan and Site Plan updated to reflect the inclusion of splays, and issue WSCC with a notification. A copy will be provided to you as requested.

Regarding Committee Members, have you had any discussions about the application. I normally issue a letter to Members ahead of committee setting out a summary of our proposals and the process to date – they rarely read this but you can only try!

If you have received any feedback then I would appreciate if you could share this so we can pick up on any issues of particular interest.

Kind Regards

Patrick Barry
Director
