Dear Paul,

We have no concerns with the levels from a planning point of view but will not be able to agree them until our Engineers are happy with the drainage.

Kind Regards

Dear Simon

Thank you for your note, I understand that my consultants are already in discussion with both the drainage engineers and EH teams re noise and I have asked that responses be back with me by cob next Friday.

Can I please ask if you are content with the survey information that I supplied to satisfy condition 14 ?

Thanks

Kind Regards

Paul
