Hi James,

Thanks for this. We agree to an EOT for the date suggested.

Look forward to hearing your lawyers view on the condition in due course.

Hi Jon,

I note that the determination date is pending for 17/07. As we are still awaiting advice from our lawyers on the use of conditions, I would be grateful if you could agree to an extension of time until 10 September 2021? Assuming we are able to find a solution to this impasse, then the application will need to go before Planning Committee. We have a break in August each year so will need to defer to September's Committee.

I would be grateful if you could confirm agreement by return of this email?

Kindest regards,
