Thank you David

It is clear that, as you are writing conditions, you (personally) are recommending approval but given the previous unexpected refusal WSCC are understandably anxious to get more certainty from an officer with delegated powers before the end of Jan. WSCC are out to tender at present and the lack of sign off creates practical issues.

Given your obvious workload pressures, I am concerned this could fall by the wayside and not be signed off until the end of Jan especially as you will be off soon and therefore if Neil needs to discuss anything with you before sign off it would have to wait until your return on 23rd. Jan.

Can we agree an extension until 12th Dec to keep the focus on the sign off? A further extension then for S106 would then be reasonable.

This would greatly assist WSCC in their tender process and reassure Cabinet members.

Kind regards
Gail

I have written up my report and going through conditions just now, so I am almost there.

The team leader is unlikely to have time to sign it off until the end of next week, due to committee closing being brought forward by a week. I will pass the Report through today.

Can you agree an extension of time – Gail previously allowed through to today, however we are aware that a s106 still needs to be addressed. Arun council's Planning Solicitor is out of the office for the foreseeable future and therefore it will take additional time to finalise until a temporary legal solution is put in place.

Therefore can you agree an EoT through to 27 January?

Gail - I will send you through the draft conditions on Monday.

I can confirm next week when the team leader has signed off the report.

For information I finish my contract on 16 December. Subject to signing I will be doing some work from home from 17th Jan, back in the office on 23rd.

Regards

David

Good Morning David,

Trust you're well and enjoying some Scottish temperatures down here, perhaps tempting thoughts skiing!

Will you be able to advise today whether or not the site will be determined – you'll not be surprised at Cabinet Member pressure.

Many thanks,
Best regards,
Malcolm
