Hi Mr Davis

Thanks for the email.

We were under pressure to get the site moving forward and believed you would have been happy with the Kassandra bricks. We have begun some of the brickwork below DPC in the Kassandra.

We have cancelled the bricklayers until you are happy.

Would it be possible for you to attend site tomorrow for your advice.?

Best Wishes

Your drawings suggest a much lighter brick colour. Is this right? If it is not the multi then please provide me with a web link to the correct brick.
