Dear Peter,

I am in today if you wish to pop in however, I would not be able to give an opinion on the spot.

Alternatively, you could take a picture of the actual brick and email that to me along with the other items I have requested.

Kind Regards

Morning Mr Davis,

Is it possible for me to bring a number of the Cassandra bricks to the Civic Centre at some stage today for your opinion? Their appearance is redder in the stock photo than the reality.

I will myself available to you throughout today.

Many Thanks

Pete Davies

Your drawings suggest a much lighter brick colour . Is this right? If it is not the multi then please provide me with a web link to the correct brick.

<http://traditionalclayrooftiles.co.uk/products/clay-roof-tile/developer-range/> lists 5 different tiles in this range. Please confirm which one you intend to use.
