Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/43/21/HH
Site Address: 25 Skylark Way Barnham PO22 0FA
Description of works: Extension to garage and redesign roof.

Thank you for your internet representation made on 6th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35778

This proposed extension will be visible from my house which is located on the opposite side of the road.

1. The increase of the garage roof ridge height and the addition of dormer windows on the north side (street facing) is not in keeping with the size, design or appearance of other garages in the street or on other houses on the development.

2. Both sides of the garage front elevation are visible from the street. The dormer window being proposed on one side only will look very unbalanced visually when viewed from the front.

Velux windows on both sides might be considered as a better option that is more in keeping with the character of the street.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
