Steve,

In reference to the above application I can only apologise for the delay in processing the registration until this week due to the back log of registration work.

Due to this situation the earliest we will be able to assess the application after the consultation period has finished will be 8th November 2018.

If you could be agreeable to an EOT until 12th November then I hope to have a decision with you once the assessment is complete. If for any reason the application is not supported I shall be in touch sooner.

Kind regards
