

Objection to planning application on
Wandley Lane.
JN / 46 / 25 Pt.

29 MAY 2025

I have lived on Wandley Lane since 1993.
It was and still is by dictionary definition
a Country lane - single track road.

There are no passing points, no paths.
Cars etc rely on Courtesy of drivers and pulling
in to residents drive ways.

Over the years there has been infill buildings also
Holmdale - 18/20 homes.

Dandara at Fortwell on the Sheep meadows
Dandara was not allowed access onto Wandley
Lane when permission was granted.

The lane is already a through road at times
excess speeding, often used to avoid Fortwell
roundabout.

The lane has been flanked by grazing paddocks
which have gone and now this application for
another paddock for building houses.

Pedestrians use the lane
School pupils use the lane
Dog walkers use the lane
Toppers use the lane

Residents can use the lane

I also object to the entrance to site considered
for access being so close to Holmdale entrance

The entrance from Fortwell Ave onto the lane
is at times dangerous as its insufficient width
for wide vehicles, therefore taking extreme width
of road. In turn this is a safety problem.
At this rate there will be natural habitats left
for animals.

Uivo already lost the troop at the north end of the
lane.

A deer killed recently on the lane
then Deer and foxes in the fields nearby and
on Wandley lane.

It's a lane. I wish to object to this application
