Thank you for your internet representation made on 1st May 2025 which has been recorded as an objection with the comments as follows:

OWPC76155

Far too many new houses that I frankly don't believe are needed in this area. I moved here 4 years ago because of its rural feel but it feels more like a town every week. There are a lot of vacant properties that are being built which are too large. Traffic is horrendous and flooding in areas is a nightmare. I want to be able to walk and see areas of beauty and not more concrete. I live in a small new build but the attraction was closeness to my daughter and the small community feel of the area. We struggle getting off our estate some days due to number of cars. Even with new bypass road it will only get worse as yet more land is eaten up by concrete. My future grandchildren will never get to see how green this area used to be. We must be at saturation point.

Your views as made above will be considered before the application is determined.
