Thank you.

As to the second notice outside Tars Farm, I can now confirm that this has also been removed, presumably by the same person who removed the other notice to the benefit of the application as without checking your website no-one has any idea of what is proposed.

Dear Mr and Mrs Wakeman,

I can confirm, that our system has been updated with the new dates. As regards the site notice. We are only required to put the notice up. We are not required to ensure that it is present for the full 21 days. I assume that the 2nd notice (outside Tars Farm) is still in position?

Kind Regards

Mr Davis,

Regarding planning application BN/47/19/PL two yellow planning notices were posted by one of your colleagues last Thursday. We note today that the notice directly outside the Cottage Piggeries has been removed. Our understanding is that these notices have to be displayed for 21 days to allow for comments to be made regarding the application. Can you comment on this please?

Also we noted that the date stated on the notice, for receiving comments, did not give the required 21 days. Your colleague amended the date by hand after we pointed this out. Can you ensure that this is corrected on the notice and your web site?

Regards,

Pauline and John Wakeman
