Dear Angus,

I note your client's situation but I am afraid that it will not be possible to issue a decision by the 1st of October due to my current workload. In particular, I have 17 applications older than your clients and whilst I may be to work on the application ahead of some of the older ones, it will still be 3-4 weeks before I can set time aside.

Kind Regards

Simon

I note from the Arun Planning Portal that a decision is due by 1st October 2019.

Albert has been in contact noting the stress he is suffering arising from this Application and is keen to conclude the process as quickly as possible.

Whilst I note there has been an objection from the owners of Sandon Cottage I also note that WSCC Highways, Barnham & Eastergate Parish Council, The Environment Agency and Environmental Health have no objections and the majority of neighbours support the application.

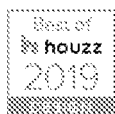

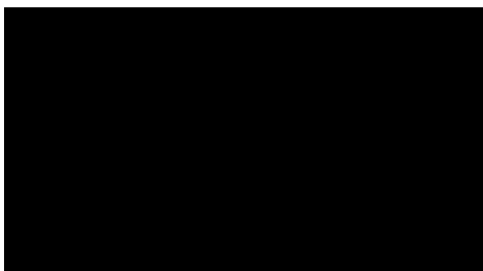

We therefore trust that you will be able to determine the Application within the Statutory Determination period, and there will be no requirement for the Application to be considered by the Planning Committee.

Kind regards

Angus
