Dear Angus,

Albert has rung and would like me to put something in writing to ease his worries. Clearly, I cannot say at this time that this will definitely receive planning permission as that it is the purpose of the decision notice. However, I can confirm that it is my intention to write the application up for approval. I can also confirm that this will be a delegated application.

Could you agree to an Extension of Time until Friday 25th October 2019

Kind Regards
