Attachments: BN_47_20_T20200512152884951.pdf

Good morning Nicola,

I received the attached requesting further information regarding the spread measurement of the trees following the pruning which I have in turn requested from the tree surgeon who assessed. I had requested the height but forgot to request spread measurement.

Would it be ok, am hoping later today or tomorrow at the latest to send the information direct to you? I had difficulty in finding how to add information to my planning application on the portal when advising of the fallen branches that damaged my vehicle in the high winds on Sunday.

Hoping that would be ok and hopefully once the spread measurement are received the application will be complete for assessment.

Should you require anything further information or clarification please do not hesitate to ask as we have concerns over the size of the trees especially A2 on the sketch due to overhanging branches on the roof and entangled through the telephone line.

Our neighbours Mr and Mrs T Lewis at Clarendon House (where tree A2 resides) are fully aware of the application and are aware of the damage caused by the falling branches.

Many thanks

Kind regards

Martin McMaster
