Dear Sir/Madam,

Following request for the further information regarding the spread of the trees following pruning I attach a revised tree survey document following liaison with Tree Surgeon.

I hope this fulfils the requirements but please let me know if you require anything else as due to damage caused by fallen branches I am keen to progress. I understand my email reporting the larger branch falling damaging vehicle was passed on internally to possibly receive some interim guidance ahead of the completion of the application assessment.

Apologies I did try to add the revised document via the Planning Portal but was unsuccessful so thought best to get the information back to you as soon as possible.

Thank you in anticipation for your assistance in this matter

Regards

Martin McMaster
