Dear Miss Ballam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**  
**Approval of details reserved by condition under BN/147/22/RES relating to condition 2- External Materials.**  
**Land South of Barnham Station Barnham**

Notification regarding the above application:

**Condition Number 2**

Notwithstanding the submitted drawings and details, no above ground works shall commence until details, specifications, and samples of materials to be used in the

- a) implementation of the approved hard landscaping scheme; and
- b) construction of walls, fenestrations, and roofs of dwellings

have been submitted to and approved by the Local Planning Authority. The materials so approved shall be used in the implementation of the development.

Reason: To enable the Local Planning Authority to control the development in terms of visual quality in accordance with Policy D DM1 of the Arun Local Plan.

**Decision:**

Arun District Council have decided to **APPROVE details reserved by this condition**

This condition has been previously discharged, under reference BN/75/24/DOC and amended further in relation to the materials schedule by BN/9/25/DOC, BN/48/25/DOC, and BN/123/25/DOC.

This application seeks to add a 4th brick type 'Caldera Red' (Weinerberger), due to the Forterra Rufford Red brick (brick 1) being discontinued by the manufacturer. This change is acceptable.

Therefore, for the avoidance of doubt, the below plans and schedules are approved:

- Site Layout Materials Plan 241001/08/MP Rev. F
- Materials Schedule (April 2026)

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
