Dear Ms Eggington

Re: 49 Warren Way, Barnham
Ref: BN/48/19/HH

I refer to your letter of the 12th July 2019 and I am able to reply as hereunder:

Dimension

The actual dimension to the front boundary of the property, as depicted on the Block Plan is 9.25M.

Lidsey Foul Water

Reference to the Plan deposited 7631/02A clearly indicates that the proposed Ground Floor is a Dining Room and it is proposed that the extension shown from the Kitchen will not contain any new equipment, which would require to discharge water from the property. In general terms, the Kitchen will remain as shown and previously approved.

On the First Floor the original Bathroom will be re-sited only.

I trust you have all the information you require in order to come to a decision in this application. If there is anything further that is needed, please do not hesitate to get in touch with me.

Yours sincerely,

J.P. Tupper
