Dear ,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: The tree is located in front of numbers 24 and 26 Farrow Drive and is part of a resident common area. A management company looks after this land and would look after any agreed works. The tree was originally altered in 2022 as Redrow were building houses but on the branches nearest to the two properties were taken away. Since that time the branches have grown back over my land and that of number 24 and are virtually over my house. As such I would require these to be removed by 2-3 meters or whatever is deemed acceptable to take the trees from being over my land and away from my house.

As I part own the trees together with the other Windmill Views Residents I am unsure for the next question what to answer so will be stating I am the owner

Location: 26 Farrow Drive Barnham PO22 0FN
