Subject: BN/49/18/PL

Planning Reference: BN/49/18/PL

Proposal: Variation of condition 2 following the grant of BN/19/16/PL relating to approved plans.

Location: Land at Former Pollards Nursery, Lake Lane, Barnham PO22 0AF

Having considered the application and supporting documentation, my understanding is that the proposed minor amendments relate only to approved built structures and there is no Root Protection Area incursion proposed. As such, there should not be any impact on retained trees.

I therefore raise no objection to this application.
