

J Parley
Langley House
Church Lane
Barnham
PC32 2 9015

To whom it may concern,

I am the owner of Langley House and resident of Church Lane Barnham and wish to lodge my concerns about access up and down the lane

As you can see from the pictures enclosed, we have a substantial hedge row and decorative trees on the boundary of my property and on a number of occasions over the years they have been damaged by large vehicles gaining access up and down the lane.

I am told by my neighbours that on many occasions this is caused by the movement of caravans although I never get see where these caravans are going or end up.

Please can you respond to me with who's responsibility this is and how I can stop it from happening and manage it in a better way.

Kind Regards
