Subject: BN/50/18/PL The Fallows

Dear Steve,

I am just looking at your application BN/50/18/PL. I think the current plans, descriptions are not clear and I would like to change the description to say: "Erection of 1 No. replacement dwelling and conversion of existing outbuilding (approved dwelling) into double garage".

Can you also withdraw Dwg 16 "Permitted Floors, Roof & Elevations plans" as this is not relevant to what you now want to do. Please can you then amend the Dwg 3 "Proposed Site Plan" to remove the references to the permitted extensions to the outbuilding and just show the outbuilding as the garage that you are proposing.

My concern is that someone will look at this and not read the planning statement and think that you are proposing one large house and also domestic extensions to the outbuilding.

If you can agree to these changes/amend the details straightaway then I will not need to put the application back on hold.

Kind Regards
