Dear Luis,

Further to your consultation advice, please note the applicant has stated that drainage will be to the mains and that this will be sorted at the Building Regs stage. Will you require a condition to be imposed to ensure this happens?

Kind Regards

Simon

Please treat this email as confirmation that the foul drainage will be by way of connection to the existing sewer.

The full details of this connection will be address under building regs.

Kind regards

Dear Steve,

Please note the attached comments from Southern Water including their objection to non-mains drainage.

Kind Regards
