Dear Steve,

I will check with my Team Leader next week but I should think we will be able to support this.

I am afraid that the application is about 17 applications down my list and I would therefore not expect to be writing it up until the end of February at the earliest.

Kind Regards

Simon

are you able to give an idea of time frame for a decision.

I note that the Parish do not object and on this basis are you able to give an indication as to whether your support will be forthcoming as my client needs to start thinking about structural engineers, surveyors and funding

Kind regards
