Simon

I am sure you will appreciate that we are getting frustrated with the delay.
However, we will agree the requested EoT but would be very grateful if it can be done as soon as possible.

Kind regards

Dear Steve,

I am getting there but currently have 6 due before yours. I think it likely that I would be able to get a decision done in the next 3 weeks (noting that I have other commitments in that time other than applications) but I'm also aware that the third of those weeks is Committee close. If it would be possible, could we agree an extension until 27 March?

Kind Regards

Dear Steve,

I will check with my Team Leader next week but I should think we will be able to support this.

I am afraid that the application is about 17 applications down my list and I would therefore not expect to be writing it up until the end of February at the earliest.

Kind Regards

Simon

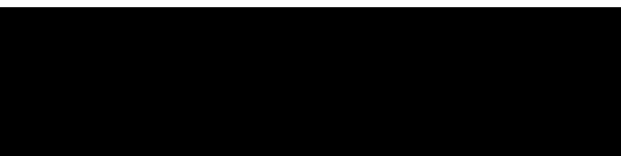

are you able to give an idea of time frame for a decision.

I note that the Parish do not object and on this basis are you able to give an indication as to whether your support will be forthcoming as my client needs to start thinking about structural engineers, surveyors and funding

Kind regards
