Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/50/20/PL
Site Address: Land west of Fontwell Avenue Fontwell Avenue Eastergate PO20 3RX
Description of works: Demolition of existing structures on-site & erection of 42 No. dwellings with access, parking, landscaping & associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 8th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27594

This is an over large development on a small green field site at the end of a quiet country lane: Level Mare Lane.

We already have a massive, ugly, and overpowering, development being built at one end of Fontwell Avenue. And there is another huge development planned for the few remaining fields at the other end of Fontwell Avenue. It can not be necessary to fill this site with 42 further houses.

Fontwell Avenue is already very busy during rush hours, the extra traffic caused by the 2 existing developments will worsen the situation considerably. At times it's almost impossible to turn right from Level Mare Lane onto Fontwell Avenue.

The junction of Level Mare Lane and Fontwell Ave is regularly flooded across the lane, more development on the corner of the lane, will add considerably to the flooding by removing the existing greenfield drainage.

Your views as made above will be considered before the application is determined.
