Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/50/20/PL
Site Address: Land west of Fontwell Avenue Fontwell Avenue Eastergate PO20 3RX
Description of works: Demolition of existing structures on-site & erection of 42 No. dwellings with access, parking, landscaping & associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 17th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27856

The site is in conflict with a number of current policies.
There is already too much development in the local area around Fontwell Avenue without more traffic being generated by further development. The Lanes coming onto Fontwell Avenue; i.e. Wandleys and Eastergate would be severely affected causing danger to existing traffic exiting. Fontwell Ave is definitely not safe for cyclists. The developer suggests that the area is suitable for people to walk to work. This site is not within walking distance of any businesses nearby - they will be cut off from work and will definitely need a car especially as there is no public transport on the route. This area is semi rural. Health facilities in the local area are full to capacity. The development would be using up valuable agricultural land. the company has not consulted with the local residents about its plans. I object most strongly.

Your views as made above will be considered before the application is determined.
