Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/50/20/PL
Site Address: Land west of Fontwell Avenue Fontwell Avenue Eastergate PO20 3RX
Description of works: Demolition of existing structures on-site & erection of 42 No. dwellings with access, parking, landscaping & associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 18th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27858

The proposed development will adversely impact traffic safety, vehicular/pedestrian/cycling/horse riding. This road has become increasingly busy during recent years with 400 new houses to be commenced at the top of Fontwell Avenue and several thousand to the south, the addition of another 40+ properties accessing Fontwell Avenue at its most dangerous point between two junctions where there have been several accidents is a severe increase in traffic risk.

The development appears to be of high density with insufficient room for traffic movement.

Semi mature trees and hedgerows will have to be removed to the detriment of the street scene.

Bats which fly across our garden most evenings will presumably have their habitat destroyed or severely impacted.

On a more personal note, why does the proposed plan have houses directly overlooking our garden when this really is not necessary.

Flooding - routinely caused at the junction with Wandleys Lane and Level Mare Lane by poor drainage in the area and Portsmouth Water Company having no option but to direct water down Fontwell Avenue via the drainage system.

Your views as made above will be considered before the application is determined.
