Hi Simon,

Paul Basham has been in contact with the Highways officer and they have agreed the parameters of the design audit that has been requested. A departure from standards form will also be completed. The team is in the process of preparing these for submission so we will get them over to you as soon as possible.

Please see attached a copy of Appendix K which seemed to be corrupted. This has also been sent to the Highways officer.

Thanks,
Maddi

Hi Maddi,

Highways have just provided their response. You will see that they request further information. Can you advise how long you will need to secure the requested items of which I believe the most onerous will be the Design Audit and any associated Departures from Standards.

Kind Regards
