Dear Adam,

Thank you for your email. Unfortunately Laura is away until the 7th and the only other person that could assist (Paul Cann) is also away until then. I am afraid therefore that there is no one else that can review this and it will need to wait until Laura returns.

Kind Regards

Importance: High

Hi Simon,

I'm emailing on behalf of my colleagues Rob and Claire who are both on leave, but have been liaising with Laura Gibbons regarding the above site.

Laura requested some additional information for the design- this is now being sorted on-site today and tomorrow. We will therefore have an updated design pack by hopefully tomorrow afternoon, if not latest Monday.

I know that Laura is on leave next week, therefore we are hoping that someone is lined up to pick this up in her absence next week and review/approve? The timescales are urgent on this, as you may have noted from previous emails, so it would be great if you could confirm if you're able to pick up the updates.

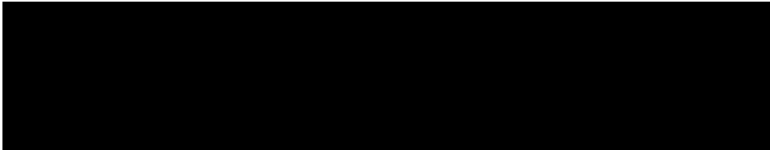

Many thanks, and more than happy to catch up over the phone.

Kind Regards
