Hi Simon,

Apologies yes these have been updated.

On the initial response it appeared that the consultee had not seen the plan so I wasn't sure whether this had uploaded correctly?

Kind regards,

Hi Lauren,

I have just added these two documents to our website as a substitute plan and document. However, they seem to be the same documents as we already have i.e. both have the same rev number or date on them. Can you confirm whether these are indeed new/substitute versions?
