Dear Ms Kernohan

Re: Land of Former Pollards Nursery, Lake Lane, Barnham.

Thank you for your correspondence of 11th & 12th October 2016, advising me of a planning application and a duplicate planning application for approval of reserved matters following outline consent of BN/16/12 & BN 21/14 for appearance and landscaping for erection of 107 dwellings at the above location, for which you seek advice from a crime prevention viewpoint. I have had the opportunity to examine the detail within the application and in an attempt to reduce the opportunity for crime and the fear of crime I offer the following comments.

I have checked our records and your respective planning application documents cannot find any comments supplied by this office. Therefore under the circumstances I decline from providing any crime prevention comments.

I thank you for allowing me the opportunity to comment.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act.

Yours sincerely
