Dear Mr Innes

Re: Land of Former Pollards Nursery, Lake Lane, Barnham.

Thank you for your correspondence of 24th May 2017, advising me of a planning application for the approval of reserved matters following outline consent BN/16/12 & BN/21/14 for appearance, landscaping & scale for erection of 107 dwellings, car parking including garages, internal access roads, footpaths, parking & circulation areas, hard & soft landscaping, formal & informal play areas & public open spaces, attenuation basins, sewage treatment plant & other associated infrastructure & engineering at the above location. I understand there are amendments to the above application for which you seek advice from a crime prevention viewpoint.

I would like to reiterate my previous comments of PE/ARU/16/23/A dated 07th November 2016.

I have checked our records and your respective planning application documents cannot find any initial previous contact or crime prevention comments supplied by this office. Therefore under the circumstances I decline from providing any crime prevention comments.

I thank you for allowing me the opportunity to comment.

Yours sincerely
