Dear Hilary,

The revised information should be ready to send to you by the end of next week. I understand you have spoken with Redrow and they have agreed to EXOT until the day after the March Planning Committee.

Please advise when the agreed outstanding information will be available – and then we will very very happily give you some dates to meet to discuss !

We still need to agree an extension of time as the current extension only runs to the end of January
Please can you confirm

Hi Hilary,

You have agreed to a meeting but I am requesting a meeting date to be set. I am conscious that everyone's diaries can get rather busy so I wanted to have a definite meeting set in advance but I fully appreciate you will need the plans in advance. I anticipate the plans will be available next week – we are seeking to address a number of points into the revisions so it has taken a little longer than the 20th deadline. If you can send me some dates then I can respond by immediate return on the EXOT.

Kind regards,

Laura Humphries

Hello Laura /David

Little bit puzzled to say the least

I have already agreed it would be sensible to have a meeting -- when the agreed outstanding information is provided by Redrow

I had understood the information was to be provided by Jan 20th last week -- but nothing appeared

I have since requested, several times - an indication from you as to when it is likely to be provided -- without response

The only impediment to a meeting is therefore your provision of the outstanding information

The current EOT runs out at the beginning of next week - so we therefore need an agreement to an extension this week

Look forward to your confirmation

Many thanks

Best regards

Hilary

Dear Hilary,

I have now spoken with Redrow and we are happy to agree in principle to a further 1 month extension but this is on the basis of agreeing a meeting date to discuss the application and conditions. We feel that a meeting would be the most appropriate way to discuss any outstanding issues and agree the way forward. We are working on the revised information and will provide this to you ahead of a meeting. I would suggest that a meeting in mid February would allow for the revisions to be finalised

and then sent over to you. Can you advise on some dates and I can then formally confirm our agreement to the EXOT?

In terms of other matters, discussions are continuing on the ecology/landscape mitigation and we are in direct discussion with Stephanie Evans. I have your other comments on highways and conditions and we are working through these and hope that this can be resolved either before or at our meeting.

Kind regards,

Laura Humphries
