Dear Simon

I note Laura Gibbons, Engineer (Drainage & Coastal) consultation reply dated 17-12-18 posted on the ADC portal and wish to formally lodge the attached Dwg 2015-D1042-002G which has a 'linear channel' incorporated near the access as she has requested.

We trust that this now successfully concludes the list of queries raised by Laura which have been resolved with RGP, my clients Infrastructure Design Consultants and trust that we can move to discharge of these conditions.

Kind regards
