

BN/52/18/DOC - Application Correspondence "Re change in brick colour"

From: Simon Davis
Sent: 07 June 2021 12:17
To: Nicholas Lack [REDACTED]
Subject: RE: BN/52/18/DOC Condition 10. External Materials

Dear Nicholas,

I have no issue with the change in material insofar as the appearance of the development is concerned. However, the materials are clearly different in colour and so if you want formal approval, you will need to apply to re-discharge the condition. Should your client wish to commence construction in the meantime then this is at their own risk.

Kind Regards.

Simon J Davis MRTPI

Dear Mr Davis

I write following your discharge of schedule of materials in the attached condition No 10 consent.

The applicant is gearing up to start construction but due to supply problems, they are unable to secure the Maplehurst Light Multi brick, which is specified for plot numbers 1 and 5. They seek consent for an alternative brick

for these two plots being the Forterra Atherstone Red Multi brick. Attached is a revised schedule of materials (with revisions highlighted) dated today 28.05.21 plus images of the consented and proposed brick for comparison, which they are confident are the best match available.

On behalf of the applicant, I look forward to your response as soon as possible please.

Kind regards
Nicholas Lack (Planning Agent)
