Good evening Amber

Apologies for the delay in getting back to you. I have now received confirmation that the Committee would like to maintain their objection.

Kind regards

Dear Ms Crabb,

I am writing regarding **BN/52/26/S73** at the former Croft Surgery which related to the removal of conditions 4 and 6 imposed under BN/130/25/PL relating to EV charging and hours of operation.

I note a response was received 28/5 in which you resolved to object to the removal of the EV chargers but had no objection to the hours condition.

Following this, I have had correspondence with the agent and instead of removing the conditions, it is proposed to vary them. They have agreed to install two EV chargers.

Following this, please let me know if you wish to make further comment or maintain an objection, in which case the application would attend committee.

Kind Regards

Amber Willard MRTPI
