Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/52/26/S73
Site Address: The former Croft Surgery Barnham Road Eastergate PO20 3RP
Description of works: Removal of conditions 4 and 6 imposed under BN/130/25/PL relating to EV charging and hours of operation.

Thank you for your internet representation made on 1st June 2026 which has been recorded as support with the comments as follows:

OWPC83802

We fully support the removal of these conditions, as being unreasonable and disproportionate. This gospel hall will be used primarily by local residents, mainly travelling less than 0.5 miles. The hall would typically be used for under 1hr, so not enough to make any real difference for charging (I have plenty of experience with electric cars).

Regarding times of worship, these shouldn't be restricted, as occasions may arise that fall out of these times, such as pastoral care or bereavements. We should state that the hall does not use amplified music or be used for public entertainment. We appreciate your understanding and happy to answer any questions you may have.

Your views as made above will be considered before the application is determined.
